ROSELAND RUMBLE - SPONSOR PACKET

WHO ARE WE ?

A&B Boxing was founded in the year 2010 in South Park, Santa Rosa, with the main goal focused on helping provide an outlet for the youth within our community. A&B was started solely with the help of the community through community service and donations.

The vast majority of A&B's equipment was donated throughout the years by members of the public who have witnessed the positive influence A&B has cultivated.

Who does this help?

All funds will be used to help cover the expenses of the first ever Roseland Rumble fundraiser. Proceeds from this event will help fund our amateur boxing program at A&B Boxing through athletic scholarships for the youth in our community.

Event Location

Roseland is home to the largest Latino population in Santa Rosa. Mitote Food park is the home of the very first Mexican Food park in Northern CA
